

# Heckaman Homes

# MODEL HOMES ARE AVAILABLE FOR TOURS MONDAY - FRIDAY 9am - 5pm & SATURDAY 9-4

At Effingham Homes we believe that a house should be as unique as its inhabitants which is why we select and design our model homes to showcase a variety of floorplans, options and features available to you!

We are sure to have a floorplan with the options & features that you will love. But if you don't see something you are looking for please let us know, because each of our display homes offer multiple layouts and can be built to accommodate you and your family!

If for some reason our hours are not convenient and you need to schedule a private tour please call or email us and we will be happy to accommodate you!

NOTES:		

Display Home 598 - Built by MHE Inc.

Huron Forest - Modular Construction (Illinois State Code)

2,331 Square Feet · 4 Bedroom / 3 Bath · 32' x 76'

Love the floorplan - but maybe it's too big or maybe too small...

Floorplans similar to **The Huron Forest** are available in different sizes and can be built to meet either Modular Construction (State Code) or Manufactured Construction (National HUD Code)

The specific floorplan in our model home **#598** (as shown above) is based on the standard floorplan for **The Huron Forest** offered by MHE Inc.

The modifications made to the standard floorplan are meant to showcase the upgrades available, as well as, the ability to customize floorplans to meet your lifestyle!
